# ABOUT OUR COMPANY

---

Esdras Corporation SARLU is a dynamic company based in Abidjan, Côte d'Ivoire, specializing in the production and sale of high-quality agricultural raw materials. With a commitment to excellence, we cater to diverse needs across the West African sub-region. Our product portfolio includes shea butter, cocoa butter, sesame, natural rubber, coconut oil, ginger, cocoa liquor, and honey—each reflecting our dedication to quality and sustainability. Established to bridge the gap between agricultural producers and global markets, Esdras Corporation SARLU has built a vast network of cooperatives and partners, ensuring reliable supply chains and exceptional customer service.
